

THE VINEYARD TOUR INFORMATION FOR CYCLISTS

We're glad you're here! Our goal is for you to have a safe and enjoyable experience. Therefore, here are a few things you need to know:

SAFETY

1. The Vineyard tour requires you to wear your helmets at all times while on the bike.
2. By Oregon State Law, bicyclists are operators of vehicles and must comply with all traffic laws. The Vineyard tour reserves the right to expel any participant who demonstrates a reluctance to ride in a safe and lawful manner.
3. Here are some guidelines that will make you a safer cyclist:
 - a. Ride on the right hand side of the road
 - b. Yield to crossing traffic and when changing lanes
 - c. Obey traffic signs and use arm signals to indicate your turns
 - d. Ride in a predictable manner
 - e. Riding next to your friend is okay when it's safe to do so, but do not impede traffic and return to single file when cars are behind you.

REST STOPS AND VINEYARDS

For many cyclists, these stops are some of the best parts of the ride! Here is some additional information to help you plan a great day:

- Rest stop operating hours are:

○ Lookingglass School:	7:45am – 10:30am
○ Melrose Vineyard:	8:45am – 11:30am
○ Henry Estate Winery:	9:00am – 3:30pm
○ Osprey Boat Landing:	10:45am – 2:00pm
○ Cleveland Rapids:	10:30am – 12:00pm
- Many of the optional vineyards that are NOT rest stops will have gravel drives or entrance roads. (Check your cue sheets for details.) Consider visiting these stops anyway because they often have some of the best scenery and it's your chance to have a more personal experience with the vineyards!
- If you DO visit the optional vineyards, please be sure to note that your mileage will be slightly different from the cue sheet when you return to the route.

POST RIDE FUN!
